

Dear Sixth Grade families,

As the new school year quickly approaches, now is the time to schedule your health appointments for your future sixth grader. I have attached all forms that you will need along with a checklist to ensure everything is completed. Please make sure all forms are signed and completed before the first day of school, which is August 17, 2018. **Please note, if your child requires a Sports Physical, please use the attached form. The "IHSA Sports Physical" form will NOT be accepted as the Sixth Grade Physical, but the attached physical form will be accepted as a Sports Physical.**

Sincerely,

Sarah Kennedy
District Secretary
skennedy@wlb92.org
