

General Personnel

Employee Ethics; Code of Professional Conduct; and Conflict of Interest ¹

All District employees are expected to maintain high standards in their job performance, demonstrate integrity and honesty, be considerate and cooperative, and maintain professional and appropriate relationships with students, parents/guardians, staff members, and others.

The Superintendent or designee shall provide this policy to all District employees and students and/or parents/guardians in their respective handbooks, and ensure its posting on the District's website, if any. ²

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

¹ The State Officials and Employees Ethics Act (SOEEA) (5 ILCS 430), *Erin's Law* (105 ILCS 5/10-23.13, amended by P.A. 102-610), and *Faith's Law* (105 ILCS 5/22-85.5, added by P.A. 102-676), require a policy on subjects covered in this sample policy; State and federal law controls its content.

This policy contains items on which collective bargaining may be required. Any policy that impacts upon wages, hours, and terms and conditions of employment, is subject to collective bargaining upon request by the employee representative, even if the policy involves an inherent managerial right.

This policy largely cites 105 ILCS 5/22-85.5, a small portion of the *Faith's Law* package. *Faith's Law* is the entirety of Public Act 102-676, which closed significant legal loopholes related to combating grooming by: (1) broadening the definition of grooming prohibited by the Criminal Code of 2012 (720 ILCS 5/11-25); (2) authorizing the Ill. Dept. of Children and Family Services to investigate grooming allegations under the Abused and Neglected Child Reporting Act (325 ILCS 5/3); and (3) requiring the Ill. State Board of Education (ISBE) to, by 7-1-23, develop and maintain a resource guide for students, parents/guardians, and teachers about sexual abuse response and prevention resources available in their community (105 ILCS 5/2-3.188). A *Faith's Law* trailer bill, P.A. 102-702, eff. 7-1-23, further combats grooming by amending School Code provisions related to district and third-party contractor hiring practices, suspension and revocation of employee licenses, and criminal history records checks for prospective and current employees.

² Required by 105 ILCS 5/22-85.5(e), added by P.A. 102-676. See 2:250-E2, *Immediately Available District Public Records and Web-Posted Reports and Records*, and 7:190-E2, *Student Handbook Checklist*. The Ill. Principals Association (IPA) maintains a handbook service that coordinates with **PRESS** material, *Online Model Student Handbook (MSH)*, at: www.ilprincipals.org/msh.

Professional and Appropriate Conduct

Professional and appropriate employee conduct are important Board goals that impact the quality of a safe learning environment and the school community, increasing students' ability to learn and the District's ability to educate. To protect students from sexual misconduct by employees, and employees from the appearance of impropriety, State law also recognizes the importance for District employees to constantly maintain professional and appropriate relationships with students by following established expectations and guidelines for employee-student boundaries. Many breaches of employee-student boundaries do not rise to the level of criminal behavior but do pose a potential risk to student safety and impact the quality of a safe learning environment. Repeated violations of employee-student boundaries may indicate the grooming of a student for sexual abuse. As bystanders, employees may know of concerning behaviors that no one else is aware of, so their training on: (1) preventing, recognizing, reporting, and responding to child sexual abuse and grooming behavior; (2) this policy; and (3) federal and state reporting requirements is essential to maintaining the Board's goal of professional and appropriate conduct.³

The Superintendent or designee shall identify employee conduct standards⁴ that define appropriate employee-student boundaries, provide training about them, and monitor the District's employees for violations of employee-student boundaries. The employee conduct standards will require that, at a minimum:

1. Employees who are governed by the *Code of Ethics for Illinois Educators*, adopted by the Ill. State Board of Education (ISBE), will comply with its incorporation by reference into this policy.⁵
2. Employees are trained on educator ethics, child abuse, grooming behaviors, and employee-student boundary violations as required by law and policies 2:265, *Title IX Sexual Harassment Grievance Procedure*; 4:165, *Awareness and Prevention of Child Sexual Abuse and Grooming Behaviors*; 5:90, *Abused and Neglected Child Reporting*; and 5:100, *Staff Development Program*.⁶

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

³ See 105 ILCS 5/22-85.5(b), added by P.A. 102-676.

⁴ Sample conduct standards are contained in administrative procedure 5:120-AP2, *Employee Conduct Standards*. These items are subjects of mandatory collective bargaining. Consult the board attorney for advice before establishing them.

⁵ 105 ILCS 5/22-85.5(d)(1), added by P.A. 102-676; 23 Ill.Admin.Code Part 22. 105 ILCS 5/22-85.5(d)(1) requires boards to incorporate ISBE's *Code of Ethics for Illinois Educators* in their policies. Prior to this law requiring boards to incorporate the *Code* by reference, this policy incorporated it to demonstrate a board's commitment to the *Code's* principles, potentially allowing a board to enforce the *Code* independently from any action taken by the State Superintendent.

⁶ 105 ILCS 5/22-85.5(d)(5), added by P.A. 102-676, requires districts to reference required employee training related to child abuse and educator ethics in its employee professional conduct policy.

105 ILCS 5/10-22.39(f) requires each board to conduct in-service training on educator ethics, teacher-student conduct, and school employee-student conduct for all personnel. These expectations will be most effective when the in-service curriculum reflects local conditions and circumstances. While the School Code only requires the in-service, the requirement presents an opportunity for each board and the superintendent to examine all current policies, collective bargaining agreements, and administrative procedures on this subject. Each board may then want to have a conversation with the superintendent and direct him or her to develop a curriculum for the in-service that instructs all district employees to maintain boundaries and act appropriately, professionally, and ethically with students. See discussion in f/n 4 in 5:100, *Staff Development Program*. After its discussion of these issues, the board may have further expectations and may choose to reflect those expectations here.

105 ILCS 5/10-23.13(c), amended by P.A. 102-610, requires districts to provide evidenced-informed training for school personnel on preventing, recognizing, reporting, and responding to child sexual abuse and grooming behavior by no later than January 31 of each year. See sample policy 4:165, *Awareness and Prevention of Child Sexual Abuse and Grooming Behaviors*, for further detail about the training requirements.

3. Employees maintain professional relationships with students, including maintaining employee-student boundaries based upon students' ages, grade levels, and developmental levels and following District-established guidelines for specific situations, including but not limited to: ⁷
 - a. Transporting a student;
 - b. Taking or possessing a photo or video of a student; and
 - c. Meeting with a student or contacting a student outside the employee's professional role.
4. Employees report prohibited behaviors and/or boundary violations pursuant to Board policies 2:260, *Uniform Grievance Procedure*; 2:265, *Title IX Sexual Harassment Grievance Procedure*; and 5:90, *Abused and Neglected Child Reporting*. ⁸
5. Discipline up to and including dismissal will occur for any employee who violates an employee conduct standard or engages in any of the following: ⁹
 - a. Violates expectations and guidelines for employee-student boundaries. ¹⁰
 - b. Sexually harasses a student. ¹¹
 - c. Willfully or negligently fails to follow reporting requirements of the Abused and Neglected Child Reporting Act (325 ILCS 5/),¹² Title IX of the Education Amendments of 1972 (20 U.S.C. §1681 *et seq.*), or the Elementary and Secondary Education Act (20 U.S.C. § 7926). ¹³

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

³²⁵ ILCS 5/4(j), amended by P.A.s 101-564 and 102-604, requires district employees to complete mandated reporter training within three months of initial employment and at least every three years thereafter. See f/n 10 in sample policy 5:90, *Abused and Neglected Child Reporting*, for further detail about the training requirements.

⁷⁷⁵ ILCS 5/2-109, added by P.A. 101-221, requires districts to provide annual workplace sexual harassment prevention training to all employees. See f/n 4 in sample policy 5:20, *Workplace Harassment Prohibited*, for further detail about the training requirements.

⁷ Required by 105 ILCS 5/10-23.13(b), amended by P.A. 102-610; 105 ILCS 5/22-85.5(d)(3), added by P.A. 102-676. Sample expectations and guidelines are contained in administrative procedure 5:120-AP2, E, *Expectations and Guidelines for Employee-Student Boundaries*.

⁸ Required by 105 ILCS 5/22-85.5(d)(4), added by P.A. 102-676. See also 105 ILCS 5/10-23.13(b), amended by P.A. 102-610.

⁹ Required by 105 ILCS 5/22-85.5(f), added by P.A. 102-676.

¹⁰ Sample expectations and guidelines are contained in administrative procedure 5:120-AP2, E, *Expectations and Guidelines for Employee-Student Boundaries*. These items are subjects of mandatory collective bargaining. Consult the board attorney for advice before establishing them.

¹¹ The Ill. Human Rights Act makes it a civil rights violation to fail to take remedial action, or to fail to take appropriate disciplinary action, against any employee when the district knows that the employee committed or engaged in sexual harassment of a student. 775 ILCS 5/5A-102. Sexual harassment of a student is also prohibited by 2:265, *Title IX Sexual Harassment Grievance Procedure*, and 7:20, *Harassment of Students Prohibited*. Sexual harassment of an employee is also prohibited by policy 2:265, *Title IX Sexual Harassment Grievance Procedure*, and 5:20, *Workplace Harassment Prohibited*.

¹² 325 ILCS 5/4(a)(4), amended by P.A. 101-564; 105 ILCS 5/10-23.12(c) (all district employees), added by P.A. 101-531; 105 ILCS 5/21B-75(b) (teachers), amended by P.A.s 101-531, 102-552, and 102-702, eff. 7-1-23.

¹³ Required by 105 ILCS 5/22-85.5(d)(4), added by P.A. 102-676.

- d. Engages in *grooming* as defined in 720 ILCS 5/11-25. ¹⁴
- e. Engages in grooming behaviors. Prohibited grooming behaviors¹⁵ include, at a minimum, *sexual misconduct*. *Sexual misconduct*¹⁶ is any act, including but not limited to, any verbal, nonverbal, written, or electronic communication or physical activity, by an employee with direct contact with a student, that is directed toward or with a student to establish a romantic or sexual relationship with the student. Examples include, but are not limited to:
 - i. A sexual or romantic invitation.
 - ii. Dating or soliciting a date.
 - iii. Engaging in sexualized or romantic dialog.
 - iv. Making sexually suggestive comments that are directed toward or with a student.
 - v. Self-disclosure or physical exposure of a sexual, romantic, or erotic nature.
 - vi. A sexual, indecent, romantic, or erotic contact with the student.

Statement of Economic Interests

The following employees must file a *Statement of Economic Interests* as required by the Ill. Governmental Ethics Act: ¹⁷

1. Superintendent;
2. Building Principal;
3. Head of any department;
4. Any employee who, as the District's agent, is responsible for negotiating one or more contracts, including collective bargaining agreement(s), in the amount of \$1,000 or greater;

The footnotes are not intended to be part of the adopted policy: they should be removed before the policy is adopted.

¹⁴ 720 ILCS 5/11-25(a), amended by P.A. 102-676, defines *grooming* as follows: "A person commits grooming when he or she knowingly uses a computer on-line service, Internet service, local bulletin board service, or any other device capable of electronic data storage or transmission, performs an act in person or by conduct through a third party, or uses written communication to seduce, solicit, lure, or entice, or attempt to seduce, solicit, lure, or entice, a child, a child's guardian, or another person believed by the person to be a child or a child's guardian, to commit any sex offense as defined in Section 2 of the Sex Offender Registration Act, to distribute photographs depicting the sex organs of the child, or to otherwise engage in any unlawful sexual conduct with a child or with another person believed by the person to be a child. As used in this Section, 'child' means a person under 17 years of age."

¹⁵ Required by 105 ILCS 5/10-23.13(b), amended by P.A. 102-610.

¹⁶ Required by 105 ILCS 5/22-85.5(d)(2), added by P.A. 102-676. This definition of *sexual misconduct* is adapted from 105 ILCS 5/22-85.5(c), added by P.A. 102-676. It results from collaboration to implement some recommendations of the *Make Sexual and Severe Physical Abuse Fully Extinct (Make S.A.F.E.) Taskforce* and was endorsed by Stop Educator Sexual Abuse Misconduct & Exploitation (S.E.S.A.M.E.), a national organization working to prevent sexual exploitation, abuse, and harassment of students by teachers and other school staff. Any county clerk may use a mandatory system of Internet-based filing of economic interest statements; if done, the clerk must post the statements, without the addresses, of the filers, on a publicly accessible website. 5 ILCS 420/4A-108, amended by P.A.s 101-221 and 102-664.

5. Hearing officer;
6. Any employee having supervisory authority for 20 or more employees; and
7. Any employee in a position that requires an administrative or a chief school business official endorsement.

Ethics and Gift Ban

Board policy 2:105, *Ethics and Gift Ban*, applies to all District employees.¹⁸ Students shall not be used in any manner for promoting a political candidate or issue.

Prohibited Interests; Conflict of Interest; and Limitation of Authority

In accordance with 105 ILCS 5/22-5, “no school officer or teacher shall be interested in the sale, proceeds, or profits of any book, apparatus, or furniture used or to be used in any school with which such officer or teacher may be connected,” except when the employee is the author or developer of instructional materials listed with ISBE and adopted for use by the Board.¹⁹ An employee having an interest in instructional materials must file an annual statement with the Board Secretary.²⁰

For the purpose of acquiring profit or personal gain, no employee shall act as an agent of the District nor shall an employee act as an agent of any business in any transaction with the District. This includes participation in the selection, award, or administration of a contract supported by a federal award or State award governed by the Grant Accountability and Transparency Act (GATA) (30 ILCS 708/) when the employee has a real or apparent conflict of interest.²¹ A conflict of interest arises when an employee or any of the following individuals has a financial or other interest in or a tangible benefit from the entity selected for the contract:

1. A member of the employee’s immediate family;
2. An employee’s partner²²; or
3. An entity that employs or is about to employ the employee or one of the individuals listed in one or two above.²³

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

¹⁸ The SOEEA prohibits State employees from engaging in certain political activities and accepting certain gifts. 5 ILCS 430/. It requires all school districts to adopt an *ordinance or resolution* “in a manner no less restrictive” than the Act’s provisions. See sample policy 2:105, *Ethics and Gift Ban*.

Districts may not inhibit or prohibit employees from petitioning, making public speeches, campaigning for or against political candidates, speaking out on public policy questions, distributing political literature, making campaign contributions, and seeking public office. 50 ILCS 135/, Local Governmental Employees Political Rights Act. An employee may not use his/her position of employment to coerce or inhibit others in the free exercise of their political rights or engage in political activities at work. *Id.*

¹⁹ This sentence quotes 105 ILCS 5/22-5 because the statute does not define important terms making it difficult to paraphrase. No appellate decision defines *school officer* or *apparatus*, or what is meant by *connected*. The statute was enacted in 1961, but earlier versions were in the School Code much longer. A violation of this prohibition is a Class A misdemeanor.

²⁰ *Id.*

²¹ 2 C.F.R. §200.318(c)(1) prohibits employees, officers, or agents of a school district from participating in the selection, award, or administration of a contract supported by a federal award if they have a real or apparent *conflict of interest*. The uniform federal rules on procurement standards in 2 C.F.R. Part 200 also apply to eligible State grants through the Grant Accountability and Transparency Act (GATA) (30 ILCS 708/). Authoritative sources and guidance regarding conflict of interest and financial disclosure are provided through the GATA Resource Library at www.grants.illinois.gov. See also ISBE’s *Procurement and Purchasing Checklist* at: www.isbe.net/Pages/Federal-and-State-Monitoring.aspx. See sample policy 2:100, *Board Member Conflict of Interest*, at f/n 6, for further discussion.

²² See sample policy 2:100, *Board Member Conflict of Interest*, at f/n 7 for a discussion of the term *partner*.

Employees shall neither solicit nor accept gratuities, favors, or anything of monetary value from contractors, potential contractors, or parties to agreements or subcontracts.²⁴ Situations in which the interest is not substantial or the gift is an unsolicited item of nominal value must comply with State law and Board policy 2:105, *Ethics and Gift Ban*.²⁵

Guidance Counselor Gift Ban²⁶

Guidance counselors are prohibited from intentionally soliciting or accepting any gift from a *prohibited source* or any gift that would be in violation of any federal or State statute or rule. For guidance counselors, a *prohibited source* is any person who is (1) employed by an institution of higher education, or (2) an agent or spouse of or an immediate family member living with a person employed by an institution of higher education. This prohibition does not apply to:

1. Opportunities, benefits, and services available on the same conditions as for the general public.
2. Anything for which the guidance counselor pays market value.
3. A gift from a relative.
4. Anything provided by an individual on the basis of a personal friendship, unless the guidance counselor believes that it was provided due to the official position or employment of the guidance counselor and not due to the personal friendship. In determining whether a gift is provided on the basis of personal friendship, the guidance counselor must consider the circumstances in which the gift was offered, including any of the following:
 - a. The history of the relationship between the individual giving the gift and the guidance counselor, including any previous exchange of gifts between those individuals.
 - b. Whether, to the actual knowledge of the guidance counselor, the individual who gave the gift personally paid for the gift or sought a tax deduction or business reimbursement for the gift.
 - c. Whether, to the actual knowledge of the guidance counselor, the individual who gave the gift also, at the same time, gave the same or a similar gift to other school district employees.
5. Bequests, inheritances, or other transfers at death.
6. Any item(s) during any calendar year having a cumulative total value of less than \$100.

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

²³ 2 C.F.R. §200.318(c)(1).

²⁴ *Id.*

²⁵ *Id.* The rule provides flexibility for school districts to “set standards for situations in which the financial interest is not substantial or the gift is an unsolicited item of nominal value,” along with “disciplinary actions to be applied for violations.” Referring to sample policy 2:105, *Ethics and Gift Ban*, for these standards provides clarity and consistency. Sample policy 2:105 refers to **Limitations on Receiving Gifts** in the Ethics Act at 5 ILCS 430/10-10 – 10-30, along with discussion of the specific penalties available under the Ethics Act at 5 ILCS 430/50-5 in its **Enforcement** subhead.

²⁶ This section is only for those districts with a high school. 105 ILCS 5/22-93, added by P.A. 102-327 and renumbered by P.A. 102-813. *Guidance counselor* means a person employed by a school district and working in a high school to offer students advice and assistance in making career or college plans. *Id.*

7. Promotional materials, including, but not limited to, pens, pencils, banners, posters, and pennants.

A guidance counselor does not violate this prohibition if he or she promptly returns the gift to the prohibited source or donates the gift or an amount equal to its value to a 501(c)(3) tax-exempt charity.

Outside Employment

Employees shall not engage in any other employment or in any private business during regular working hours or at such other times as are necessary to fulfill appropriate assigned duties.

General Personnel

Administrative Procedure - Employee Conduct Standards ¹

Professional and appropriate conduct is expected of all District employees. The standards listed below serve as a notice of expected conduct. The standards are intended to protect the health, safety, and general welfare of students and employees, ensure the community a degree of accountability within the School District, and define misconduct justifying disciplinary action, up to and including dismissal. The listed standards are not a complete list of expectations, and depending on the factual context, an employee may be disciplined for conduct that is not specifically listed. The conduct standards apply to all District employees to the extent they do not conflict with an applicable collective bargaining agreement; in the event of a conflict, the provision is severable and the applicable bargaining agreement will control. In addition, all employees who are governed by the *Code of Ethics for Illinois Educators* must comply with 5:120-E, *Code of Ethics for Illinois Educators*, adopted by the Ill. State Board of Education (ISBE) (23 Ill.Admin.Code Part 22).

All school employees shall:

1. Exhibit positive examples of preparedness, punctuality, attendance, self-control, language, and appearance.
2. Exemplify honesty and integrity. Violations of this standard include, but are not limited to, falsifying, misrepresenting, omitting, or erroneously reporting the professional qualifications of oneself or another individual or information submitted in connection with job duties or during the course of an official inquiry/investigation.
3. Maintain professional and appropriate relationships with students by following established expectations and guidelines for employee-student boundaries, both in and outside the school. Attend all in-service trainings on educator ethics, teacher-student conduct, and school employee-student conduct for all personnel (105 ILCS 5/10-22.39), as well as all required trainings on child abuse, grooming behaviors, and employee-student boundary violations

The footnotes should be removed before the material is used.

¹ This procedure's list of conduct standards is more comprehensive than the list in sample policy 5:120, *Employee Ethics; Code of Professional Conduct; and Conflict of Interest*. This procedure and its exhibit 5:120-AP2, E, *Expectations and Guidelines for Employee-Student Boundaries*, are tools to prompt local conversations related to employee conduct standards, including the prevention of sexual misconduct and grooming. **Do not automatically add them to the district's procedure or personnel manual.** Many districts already have collective bargaining agreements and/or personnel manuals addressing conduct and misconduct. These items are subjects of mandatory collective bargaining. Moreover, an employee conduct code is most effective when it reflects local conversations related to expectations around employee-student boundaries and other professional ethics conditions and circumstances. As employee conduct rules are frequently litigated, consulting the board attorney is a necessary part of their development.

The introductory paragraph recognizes that an applicable collective bargaining agreement will supersede a conflicting provision of the procedure. It also provides coverage for those employees who are not included in a bargaining unit. **This language, however, does not relieve a district from its collective bargaining mandate because the district would still be adopting conduct rules without bargaining.** Use the following alternative when the district intends to use the conduct rules for only those employees who are not represented by an exclusive bargaining agent:

The employee conduct standards apply to only those District employees who are not represented by an exclusive bargaining representative.

Our sample policies contain many personnel conduct rules. The following sample policies authorize the superintendent or designee to develop and implement procedures, e.g., conduct standards: 4:165, *Awareness and Prevention of Child Sexual Abuse and Grooming Behaviors*; 5:120, *Employee Ethics; Code of Professional Conduct; and Conflict of Interest*; and 3:40, *Superintendent*.

(325 ILCS 5/4(j), 105 ILCS 5/10-23.12, and 5/10-23.13 (*Erin's Law*)). Violations of this standard include, but are not limited to: (a) committing any act of child abuse or cruelty to children; (b) willfully or negligently failing to report an instance of suspected child abuse or neglect as required by the Abused and Neglected Child Reporting Act (325 ILCS 5/); (c) engaging in harassing behavior, including but not limited to sexually harassing a student (775 ILCS 5/5A-102); (d) willfully or negligently failing to report an instance of suspected sexual harassment as required by Title IX of the Education Amendments of 1972 (20 U.S.C. §1681 *et seq.*), (e) providing a recommendation of employment for an employee, contractor, or agent that the employee knows, or has probable cause to believe, has engaged in sexual misconduct with a student or minor in violation of the law, as prohibited by the Elementary and Secondary Education Act (20 U.S.C. § 7926), (f) engaging in *grooming* as defined in 720 ILCS 5/11-25; (g) engaging in prohibited grooming behaviors, including *sexual misconduct* as defined in 105 ILCS 5/22-85.5(c) (*Faith's Law*) and Board policy 5:120, *Employee Ethics; Code of Professional Conduct; and Conflict of Interest*; (h) furnishing tobacco, alcohol, cannabis, or any other illegal/unauthorized substance, including e-cigarettes, to any student or allowing a student under his or her supervision to use tobacco, alcohol, cannabis (including medical cannabis unless the student is authorized to be administered a medical cannabis infused product by the school employee pursuant to *Ashley's Law*²); and (i) violating expectations and guidelines for employee-student boundaries set forth in 5:120-AP2, E, *Expectations and Guidelines for Employee-Student Boundaries*.

4. Maintain a safe and healthy environment, free from being impaired by and/or under the influence of prohibited substances to ensure high quality performance for the District and its students. The use of illegal drugs and/or abuse and misuse of alcohol, drugs, and other lawful products³ while on District premises or while performing work for the District diminishes the District's credibility and ability to educate students⁴ about drug and substance abuse prevention pursuant to Board policy 6:60, *Curriculum Content*. Violations of this standard include, but are not limited to, engaging in any of the prohibited activities listed in the District's drug- and alcohol-free workplace policy.⁵ Examples include using or being impaired by or under the influence of illegal drugs; abusing, misusing, and/or being impaired by or under the influence of alcohol, drugs, and/or other lawful products⁶ when performing work for the District when impairment is detectable regardless of when and/or where the use occurred; and/or using or being impaired or under the influence of or possessing medical cannabis⁷ in a school bus or on school grounds.
5. Maintain a safe and healthy environment, free from harassment, intimidation, bullying, hazing, and violence, and free from bias and discrimination. Violations of this standard include, but are not limited to: (a) unless specifically permitted by the Firearm Concealed Carry Act, carrying a firearm on or into any District controlled building, real property, or

Exhibit – Expectations and Guidelines for Employee-Student Boundaries ¹

105 ILCS 5/10-23.13, Erin's Law, requires this exhibit's discussion. Use this exhibit to structure local conversations around what the District will include for its examples of expectations and guidelines about professional boundaries in employee-student relationships. Finalization of this exhibit requires a conversation among district administrators and employees to customize it based upon the ages, grade levels, and developmental levels of the students served, as well as local conditions.

All District employees must maintain professional employee-student boundaries and relationships with students. This includes meeting expectations and following guidelines established by the District for employee-student boundaries. These expectations and guidelines apply to all professional, educational support, and contracted District employees. If they conflict with an applicable collective bargaining agreement, the provision is severable and the applicable bargaining agreement will control.

The District understands that employees may have pre-existing relationships with families of students outside of school. These expectations and guidelines do not apply to employee-student relationships based in pre-existing relationships, including nuclear or extended families. These expectations and guidelines are not intended to prohibit such interactions, provided that an awareness of employee-student boundaries is maintained at all times. This document is not exhaustive, and an employee may be disciplined for boundary violations that are not specifically listed.

Employee-Student Boundaries ²

The relationship between students and school employees is an inherently unequal imbalance of power because school employees are in a unique position of trust, care, authority, and influence in relation to students. District employees breach employee-student boundaries when they misuse their position of power over a student in a way that compromises the student's health, safety, or general welfare. Employee-student boundaries are categorized into four areas that are not mutually exclusive:

- **Emotional Boundaries** – both the employee's own emotional state and self-regulation as well as students' emotional states and developmental abilities to self-regulate.
- **Relationship/Power Boundaries** – recognizing, as noted above, that the employee-student relationship is unequal and employees must safeguard against misusing positions of power.
- **Communication Boundaries** – how and what employees communicate to students, including communication that is verbal, nonverbal, in person, or via electronic means.
- **Physical Boundaries** – physical contact between employees and students.

While some employee-student boundaries are clear and easy to recognize, there are some unclear, *grey* areas that employees must plan for and respond to with sound judgment. This means recognizing the potential negative consequences for students and/or employees engaging in certain behaviors with students or allowing inappropriate conduct to continue. Employees may use *time, place, and circumstances* as a guiding principle by asking themselves:

- Is this the appropriate *time* for my planned action?

The footnotes should be retained.

¹ Follow the discussion related to subjects of mandatory collective bargaining in f/n 1 of this exhibit's procedure 5:120-AP2, *Employee Conduct Standards*.

² Adapted with permission from *Teacher-Student Professional Boundaries: A Resource for WA Teachers*, Revised Edition (2019), Teacher Registration Board of Western Australia, at: www.trb.wa.gov.au/Professional-Conduct/Teacher-Student-Professional-Boundaries.

- Have I chosen the appropriate *place* for the planned action?
- Are these appropriate *circumstances* for me to take my planned action?

To avoid behavior or conduct which may lead to a breach in employee-student boundaries, employees should also recognize their own unique vulnerabilities. Examples of vulnerabilities that employees may experience include, but are not limited to:

- Employees regarding students as peers
- Employees who too closely identify with students and their issues
- Employees experiencing adult relationship issues
- Immature employees, or employees with an under-developed moral compass
- Employees feeling a need for attention
- Employees who abuse alcohol or other substances
- Employees who lack personal crisis management skills

Employees experiencing difficulties in their personal lives may be particularly susceptible to engaging in at-risk behavior or conduct with students. Employees must be alert to such risks and ensure they maintain professional boundaries at all times. The Markkula Center for Applied Ethics' Framework for Ethical Decision-Making may help employees evaluate and address conduct that concerns them. See www.scu.edu/ethics/ethics-resources/ethical-decision-making/.

Staff Development Program¹

The Superintendent or designee shall implement a staff development program. The goal of such program shall be to update and improve the skills and knowledge of staff members in order to achieve and maintain a high level of job performance and satisfaction. Additionally, the development program for licensed staff members shall be designed to effectuate the District and School Improvement Plans so that student learning objectives meet or exceed goals established by the District and State.

The staff development program shall include the Abused and Neglected Child Reporting Act (ANCRA), School Code, and awareness and prevention of child sexual abuse and grooming behaviors (*Erin's Law*) training as follows (see policies 4:165, *Awareness and Prevention of Child Sexual Abuse and Grooming Behaviors*, and 5:90, *Abused and Neglected Child Reporting*):²

1. Staff development for local school site personnel who work with students in grades kindergarten through 8, in the detection, reporting, and prevention of child abuse and neglect.
2. Within three months of employment, each staff member must complete mandated reporter training from a provider or agency with expertise in recognizing and reporting child abuse. Mandated reporter training must be completed again at least every three years.
3. By January 31, 2023, and every year after, all school personnel must complete evidence-informed training on preventing, reporting, and responding to child sexual abuse, grooming behaviors, and boundary violations.

The staff development program shall provide, at a minimum, at least once every two years, the in-service training of licensed school personnel and administrators on current best practices regarding the identification and treatment of attention deficit disorder and attention deficit hyperactivity disorder, the

¹ State law requires the subject matter in paragraph 2 to be covered by policy. State or federal law controls this policy's content. A school board may set and enforce professional growth requirements. 105 ILCS 5/24-5. Failure to meet professional growth requirements is considered remediable. *Morris v. Ill. State Bd. of Educ.*, 198 Ill.App.3d 51 (3rd Dist. 1990).

105 ILCS 5/2-3.62 requires the Ill. State Board of Education (ISBE) to establish a regional network of educational service centers to coordinate and combine existing services in a manner that is practical and efficient for schools. Their purposes are to provide, among other things, continuing education, in-service training, and staff development services to all local school districts in Illinois.

² 105 ILCS 5/10-23.12, amended by P.A. 101-531; 325 ILCS 5/4(j), amended by P.A.s 101-564 and 102-604; and *Erin's Law*, 105 ILCS 5/10-23.13, amended by P.A. 102-610. Delete #1 for high school districts.

Mandated reporter training may be in-person or web-based and must include, at a minimum, information on the following topics: (1) indicators for recognizing child abuse and child neglect; (2) the process for reporting suspected child abuse and child neglect and the required documentation; (3) responding to a child in a trauma-informed manner; (4) understanding the response of child protective services and the role of the reporter after a call has been made; and (5) implicit bias. *Implicit bias* means the attitudes or internalized stereotypes that affect people's perceptions, actions, and decisions in an unconscious manner and that exist and often contribute to unequal treatment of people based on race, ethnicity, gender identity, sexual orientation, age, disability, and other characteristics. The implicit bias topic must include, at a minimum: (1) information on implicit bias; (2) information on racial and ethnic sensitivity; and (3) tools to adjust automatic patterns of thinking and ultimately eliminate discriminatory behaviors. 325 ILCS 5/4(j), amended by P.A.s 101-564 and 102-604. Districts must provide mandated reporter training through either DCFS, an entity authorized to provide continuing education through the Dept. of Financial and Professional Regulation, ISBE, the Ill. Law Enforcement Training Standards Board, the Ill. State Police, or an organization approved by DCFS to provide mandated reporter training. *Id.* *Child-serving organizations*, which are not defined in ANCRA, are "encouraged to provide in-person annual trainings." *Id.*

application of non-aversive behavioral interventions in the school environment, and the use of psychotropic or psychostimulant medication for school-age children.³

³ This paraphrases 105 ILCS 5/10-20.36(b). The topic covered in this paragraph must be in a board policy. Id. A school medical staff, an individualized educational program team, or a professional worker (as defined in 105 ILCS 5/14-1.10) may recommend that a student be evaluated by an appropriate medical practitioner. School personnel may consult with the practitioner, with the consent of the student's parent/guardian.

The staff development program shall provide, at a minimum, once every two years, the in-service training of all District staff on educator ethics, teacher-student conduct, and school employee-student conduct. ⁴ ⁵ ⁶

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

⁴ 105 ILCS 5/10-22.39(f) requires boards to conduct this in-service. While the language of this paragraph is not required to be in board policy, including it provides a way for boards to monitor that it is being done. Including this language provides an opportunity for each board and the superintendent to examine all current policies, collective bargaining agreements, and administrative procedures on this subject. Each board may then want to have a conversation with the superintendent and direct him or her to develop a curriculum for the in-service that instructs all district staff to maintain boundaries and act appropriately, professionally, and ethically with students. See also sample policy 5:120, *Employee Ethics; Code of Professional Conduct; and Conflict of Interest*, and f/n 11 in sample policy 4:110, *Transportation*. These expectations will be most effective when they reflect local conditions and circumstances. Employee conduct issues may be subjects of mandatory collective bargaining, therefore consulting the board attorney should be a part of this process. A district would commit an unfair labor practice by implementing new employee conduct rules without first offering to negotiate them with the applicable exclusive bargaining representative.

⁵ Insert the following option if a board wants to list in-services and/or trainings that State and federal law require, but are not required to be specified in board policy. The only non-School Code State and/or federal law training requirements listed are from the Abused and Neglected Child Reporting Act, Ill. Human Rights Act, Seizure Smart School Act, and Title IX of the Education Amendments of 1972 (Title IX).

In addition, the staff development program shall include each of the following:

1. At least, once every two years, training of all District staff by a person with expertise on anaphylactic reactions and management.
2. At least every two years, an in-service to train school personnel, at a minimum, to understand, provide information and referrals, and address issues pertaining to youth who are parents, expectant parents, or victims of domestic or sexual violence.
3. Training that, at a minimum, provides District staff with a basic knowledge of matters relating to acquired immunodeficiency syndrome (AIDS) and the availability of appropriate sources of counseling and referral.
4. Training for licensed school personnel and administrators who work with students in grades kindergarten through 12 to identify the warning signs of mental illness and suicidal behavior in youth along with appropriate intervention and referral techniques.
5. Education for staff instructing students in grades 7 through 12, concerning teen dating violence as recommended by the District's Nondiscrimination Coordinator, Building Principal, Assistant Building Principal, Dean of Students or Complaint Manager.
6. Ongoing professional development for teachers, administrators, school resource officers, and staff regarding the adverse consequences of school exclusion and justice-system involvement, effective classroom management strategies, culturally responsive discipline, the appropriate and available supportive services for the promotion of student attendance and engagement, and developmentally appropriate disciplinary methods that promote positive and healthy school climates.
7. Annual continuing education and/or training opportunities (*professional standards*) for school nutrition program directors, managers, and staff. Each school food authority's director shall document compliance with this requirement by the end of each school year and maintain documentation for a three year period.
8. All high school coaching personnel, including the head and assistant coaches, and athletic directors must obtain online concussion certification by completing online concussion awareness training in accordance with 105 ILCS 25/1.15. Coaching personnel and athletic directors hired on or after 8-19-14 must be certified before their position's start date.
9. The following individuals must complete concussion training as specified in the Youth Sports Concussion Safety Act: coaches and assistant coaches (whether volunteer or employee) of an interscholastic athletic activity; nurses, licensed and/or non-licensed healthcare professionals serving on the Concussion Oversight Team; athletic trainers; game officials of an interscholastic athletic activity; and physicians serving on the Concussion Oversight Team.
10. Every two years, school personnel who work with students must complete an in-person or online training program on the management of asthma, the prevention of asthma symptoms, and emergency response in the school setting.
11. Training for school personnel to develop cultural competency, including understanding and reducing implicit racial bias.
12. For school personnel who work with hazardous or toxic materials on a regular basis, training on the safe handling and use of such materials.

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

13. For nurses, administrators, school counselors, teachers, persons employed by a local health department and assigned to a school, and persons who contract with the District to perform services in connection with a student's seizure action plan, training in the basics of seizure recognition, first aid, and appropriate emergency protocols.
14. For all District staff, annual sexual harassment prevention training.
15. Title IX requirements for training as follows (see policy 2:265, *Title IX Sexual Harassment Grievance Procedure*):
 - a. For all District staff, training on the definition of sexual harassment, the scope of the District's education program or activity, all relevant District policies and procedures, and the necessity to promptly forward all reports of sexual harassment to the Title IX Coordinator.
 - b. For school personnel designated as Title IX coordinators, investigators, decision-makers, or informal resolution facilitators, training on the definition of sexual harassment, the scope of the District's education program or activity, how to conduct an investigation and grievance process (including hearings, appeals, and informal resolution processes, as applicable), and how to serve impartially.
 - c. For school personnel designated as Title IX investigators, training on issues of relevance to create an investigative report that fairly summarizes relevant evidence.
 - d. For school personnel designated as Title IX decision-makers, training on issues of relevance of questions and evidence, including when questions and evidence about a complainant's sexual predisposition or prior sexual behavior are not relevant.

Alternative to paragraph number 2:

2. At least every two years, an in-service to train school personnel who work with students on how to: (a) communicate with and listen to youth victims of domestic or sexual violence and expectant and parenting youth, (b) connect youth victims of domestic or sexual violence and expectant and parenting youth to appropriate in-school services and other agencies, programs and services as needed, and (c) implement the School District's policies, procedures, and protocols with regard to such youth, including confidentiality. The in-service shall be conducted by persons with expertise in domestic and sexual violence and the needs of expectant and parenting youth.

Several other trainings that are mentioned in laws other than the School Code are addressed in other policies. Many of those policies are listed in the cross-references to this policy, e.g., training requirements under the Care of Students with Diabetes Act. 105 ILCS 145/.

⁶ Different from the in-service training that school districts must provide to their staff, 105 ILCS 5/3-11, contains requirements that the regional superintendents must include during teachers institutes. Instruction on prevalent student chronic health conditions, as well as educator ethics and teacher-student conduct training is also required. See also f/n 3 above discussing the board's requirement in Section 10-22.39. Beginning with the 2016-17 school year, teachers' institutes must also include instruction on the Americans with Disabilities Act of 1990 (ADA) (42 U.S.C. §12101 *et seq.*) as it pertains to the school environment at least every two years. Contact the Regional Superintendent or the appropriate Intermediate Service Center with questions about online training for this component of a teachers' institute. Discuss with the board attorney the best practices of documenting trainings and evaluations of trainings; many attorneys in the field prefer documentation of ADA trainings to assist in their defense of any potential ADA claims against the district.

For districts that have a practice of providing instruction in life-saving techniques and first-aid in their staff development programs, insert the following optional paragraph that restates 105 ILCS 5/3-11, 105 ILCS 110/3, and 77 Ill.Admin.Code §527.800:

An opportunity shall be provided for all staff members to acquire, develop, and maintain the knowledge and skills necessary to properly administer life-saving techniques and first aid, including the Heimlich maneuver, cardiopulmonary resuscitation, and the use of an automated external defibrillator, in accordance with a nationally recognized certifying organization. Physical fitness facilities' staff must be trained in cardiopulmonary resuscitation and use of an automated external defibrillator.

Persons performing CPR are generally exempt from civil liability if they are trained in CPR (745 ILCS 49/10); persons performing automated external defibrillation are generally exempt from civil liability if they were trained and acted according to the standards of the American Heart Association (745 ILCS 49/12).

The board may also want to address other staff development opportunities. While not required to be policy, 105 ILCS 5/27-23.10 requires a school board to collaborate with State and local law enforcement agencies on gang resistance education and training. It also states that ISBE may assist in the development of instructional materials and teacher training for gang resistance education and training, which may be helpful to include in the staff development program. Other mandated and recommended staff development opportunities that are not located in the School Code or ISBE rules are found in the Ill. Administrative Code or federal regulations. Many of them are cross referenced in this policy.

General Personnel

Abused and Neglected Child Reporting¹

Any District employee who suspects or receives knowledge that a student may be an abused or neglected child or, for a student aged 18 through 22, an abused or neglected individual with a disability², shall: (1) immediately report or cause a report to be made to the Ill. Dept. of Children and Family Services (DCFS) on its Child Abuse Hotline 1-800-25-ABUSE (1-800-252-2873)(within Illinois); 1-217-524-2606 (outside of Illinois); or 1-800-358-5117 (TTY), and (2) follow directions given by DCFS concerning filing a written report within 48 hours with the nearest DCFS field office.³ Any District employee who believes a student is in immediate danger of harm, shall first call

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

¹ State or federal law controls this policy's content. The Abused and Neglected Child Reporting Act (ANCRA) (325 ILCS 5/) requires *education personnel* to immediately report or cause a report to be made to DCFS when they have reasonable cause to believe a child known to them in their professional or official capacities may be abused or neglected; *education personnel* includes school personnel (including administrators and certified and non-certified school employees) and educational advocates assigned to a child in accordance with the School Code. 325 ILCS 5/4(a)(4), added by P.A. 101-564; ANCRA states that such personnel "may also notify the person in charge of [the] school[.]" 325 ILCS 5/4(e). If the report involves an *adult student with a disability*, employees should expect DCFS to instruct them to call the Ill. Dept. of Human Services Office (DHS) office of the Inspector General's statewide 24 hour toll-free telephone number at 1-800-368-1463. 325 ILCS 5/4.4a and 20 ILCS 1305/1-17(b). Reports involving an adult student with a disability may be made directly to DHS; however, for simplicity, and to preserve a superintendent's duty to disclose certain reports involving an employee or former district employee (see discussion in f/n 18 below) and the immunity for such disclosures, the sample policy directs the initial phone call to DCFS.

Abuse and neglect are defined in 325 ILCS 5/3 and, for adult students with a disability in 20 ILCS 1305/1-17(b). Abuse may be generally understood as any physical or mental injury or sexual abuse inflicted on a child or adult student with a disability other than by accidental means or creation of a risk of such injury or abuse by a person who is responsible for the welfare of a child or adult student with a disability. Neglect may be generally understood as abandoning a child or adult student with a disability or failing to provide the proper support, education, medical, or remedial care required by law by one who is responsible for the child's or adult student with a disability's welfare.

Any person required by law to report abuse and neglect who willfully fails to report is guilty of a Class A misdemeanor. A teaching license may be suspended for willful or negligent failure to report suspected child abuse or neglect as required by law. 105 ILCS 5/21B-75, amended by P.A.s 101-531 and 102-552, and 20 ILCS 1305/1-17(k)(1). 20 ILCS 1305/1-17(k)(1) allows mandated reporters for adults with disabilities four hours to report after the initial discovery of the incident, allegation, or suspicion of any one or more of the following: mental abuse, physical abuse, sexual abuse, neglect, or financial exploitation.

District employees who make a report in good faith receive immunity, except in cases of willful or wanton misconduct. See 325 ILCS 5/4 and 9. Further, for the purpose of any proceedings, civil or criminal, good faith of the person making the report is presumed. *Id.*

Every two years, each district within an Illinois county served by an accredited Children's Advocacy Center (CAC) must review its sexual abuse investigation policies and procedures to ensure consistency with 105 ILCS 5/22-85, added by P.A. 101-531. 105 ILCS 5/10-20.71, added by P.A. 101-531. See sample policy 7:20, *Harassment of Students Prohibited*.

² State child and disabled adult protection laws define the same class of individuals differently, but with the same goal: to protect an adult student with a disability, not living in a DCFS licensed facility, who is still finishing school with an Individual Education Plan (IEP). The Dept. of Human Services Act (DHS Act) defines "adult student with a disability" as an adult student, age 18 through 21, inclusive (through the day before the student's 22nd birthday), with an IEP other than a resident of a facility licensed by DCFS. 20 ILCS 1305/1-17(b). However 105 ILCS 5/14-1.02, amended by P.A. 102-172, provides that a student who turns 22 years old during the school year shall be eligible for IEP services through the end of the school year. This statutory definition is the basis for this sample policy's language.

For elementary districts, delete the following phrase from the first sentence: "or, for a student aged 18 through 22, an abused or neglected individual with a disability,."

³ 325 ILCS 5/7, amended by P.A. 101-583. For a board that wants to include what a DCFS report should contain, an optional sentence follows:

The report shall include, if known:

1. The name and address of the child, parent/guardian names, or other persons having custody;

911. The employee shall also promptly notify the Superintendent or Building Principal that a report has been made.⁴ The Superintendent or Building Principal shall immediately coordinate any necessary notifications to the student's parent(s)/guardian(s) with DCFS, the applicable school resource officer (SRO), and/or local law enforcement.⁵ *Negligent failure to report* occurs when a District employee personally observes an instance of suspected child abuse or neglect and reasonably believes, in his or her professional or official capacity, that the instance constitutes an act of child abuse or neglect under the Abused and Neglected Child Reporting Act (ANCRA) and he or she, without willful intent, fails to immediately report or cause a report to be made of the suspected abuse or neglect to DCFS.⁶

Any District employee who discovers child pornography on electronic and information technology equipment shall immediately report it to local law enforcement, the National Center for Missing and Exploited Children's CyberTipline 1-800-THE-LOST (1-800-843-5678) or online at www.report.cybertip.org or www.missingkids.org. The Superintendent or Building Principal shall also be promptly notified of the discovery and that a report has been made.⁷

Any District employee who observes any act of hazing that does bodily harm to a student must report that act to the Building Principal, Superintendent, or designee who will investigate and take appropriate action. If the hazing results in death or great bodily harm, the employee must first make the report to law enforcement and then to the Superintendent or Building Principal. Hazing is defined as any intentional, knowing, or reckless act directed to or required of a student for the purpose of

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

2. The child's age;
3. The child's condition, including any evidence of previous injuries or disabilities; and
4. Any other information that the reporter believes may be helpful to DCFS for its investigation.

⁴ The sample policy makes the report to the superintendent or building principal mandatory to keep the administration informed. The administration may not force the staff member to change or modify his or her report.

⁵ Optional. The sample policy makes coordination with DCFS, the SRO, and local law enforcement a step in the process of reporting, so the local agencies and school district are better able to prevent and manage the risks school officials and parents/guardians face when a DCFS report has been made, e.g., situations where parents/guardians, upon learning a DCFS report has been made involving their child(ren), commit an act of self-harm in response to the information.

For school districts in DuPage County, the DuPage County State's Attorney (SAO), Regional Office of Education (ROE), Police Dept. (PD), and DCFS have created a *Model Policy Reporting Abuse and Neglect for School Officials in DuPage County*, at: www.dupageroe.org/wp-content/uploads/Mandated_Reporting.pdf. Consult the board attorney about this reporting policy – its intent is for school officials to immediately inform the SAO that a report to DCFS has been made to allow the SAO to investigate and prevent evidence spoliation. **Note:** The DuPage SAO, ROE, and PD lack authority under ANCRA over school officials to enforce compliance with this “model reporting policy;” only DCFS has the authority under ANCRA to enforce penalties under ANCRA, not the “model reporting policy.” The DuPage SAO, ROE, and PD did not consult school officials in the creation of its “model reporting policy.”

⁶ 105 ILCS 5/10-23.12(c) (all district employees), added by P.A. 101-531; 105 ILCS 5/21B-75(b) (teachers), amended by P.A. 101-531.

⁷ ANCRA requires an electronic and information technology equipment worker or the worker's employer to report a discovery of child pornography depicted on an item of electronic and information technology equipment. 325 ILCS 5/4.5(b). Consult the board attorney to determine whether any district employees fit the definition of an *electronic and information technology worker*, i.e., are “persons who in the scope and course of their employment or business install, repair, or otherwise service electronic and information technology equipment for a fee.”

The paragraph exceeds the State requirements by requiring *all* district employees to report a discovery of child pornography on electronic and information technology equipment. This furthers the National Center for Missing and Exploited Children's public policy goal of “empowering the public to take immediate and direct action to enforce a zero tolerance policy regarding child sexual exploitation.”

Similar to school personnel who are mandated reporters, electronic and information technology equipment workers and their employers have broad immunities from criminal, civil, or administrative liabilities when they report a discovery of child pornography as required under 325 ILCS 5/4.5(b), except for willful or wanton misconduct, e.g., knowingly filing a false report. Failure to report a discovery of child pornography is a business offense subject to a fine of \$1001. 325 ILCS 5/4.5(e).

being initiated into, affiliating with, holding office in, or maintaining membership in any group, organization, club, or athletic team whose members are or include other students.⁸

Abused and Neglected Child Reporting Act (ANCRA), School Code, and Erin's Law Training

The Superintendent or designee shall provide staff development opportunities for District employees in the detection, reporting, and prevention of child abuse and neglect.⁹

All District employees shall:

1. Before beginning employment, sign the *Acknowledgement of Mandated Reporter Status* form provided by DCFS. The Superintendent or designee shall ensure that the signed forms are retained.
2. Complete mandated reporter training as required by law within three months of initial employment and at least every three years after that date.¹⁰
3. Complete an annual evidence-informed training related to child sexual abuse, grooming behaviors, and boundary violations as required by law and policy 5:100, *Staff Development Program*.^{11 12}

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

⁸ 720 ILCS 5/12C-50.1(b) creates a duty for *school officials* to report hazing. The term *school official* includes all school employees and volunteer coaches. 720 ILCS 5/12C-50.1(a). The duty to report hazing is triggered only when the employee/volunteer is fulfilling his or her responsibilities as a school official and observes hazing which results in bodily harm. 720 ILCS 5/12C-50.1(b). A report must be made to *supervising educational authorities*, which is not defined in the Act. *Id.* Common sense, however, would require the individual witnessing hazing to report it to the building principal or superintendent. Failure to report hazing is a Class B misdemeanor. 720 ILCS 5/12C-50.1(c). Failure to report hazing that resulted in death or great bodily harm is a Class A misdemeanor. *Id.* 7:190-AP1, *Hazing Prohibited*, uses the same definition of *hazing*; this definition is based on 720 ILCS 5/12C-50.

⁹ While it is unclear whether this is a duty or power, 105 ILCS 5/10-23.12(a), amended by P.A. 100-413, authorizes boards “[t]o provide staff development for local school site personnel who work with pupils in grades kindergarten through 8, in the detection, reporting, and prevention of child abuse and neglect.”

The drill during such training should be: “If in question, report.”

¹⁰ ANCRA also requires staff members, within three months of employment, to complete mandated reporter training, including a section on implicit bias and racial and ethnic sensitivity. 325 ILCS 5/4(j), amended by P.A.s 101-564 and 102-604. This training must be completed again at least every three years. *Id.* The initial ANCRA three-month training requirement applies to the first time staff engage in their professional or official capacity. *Id.* While the law allows an extension to six months, it is unclear when such an extension is permissible. Consult the board attorney for guidance. As a best practice, to ensure compliance with the requirement in 105 ILCS 5/22-85(c), added by P.A. 101-531, that mandated reporters annually review ISBE materials regarding notification of DCFS (see f/n 15, below), and to ease the administrative burden to track employee training schedules, a district may consider requiring annual training for all employees.

To reduce liability and align with best practices, ANCRA training for existing district employees appears prudent; however, consult the board attorney about:

1. Whether mandating existing employees to participate in ANCRA training is an item on which collective bargaining may be required. Any policy that impacts upon wages hours, and terms and conditions of employment, is subject to collective bargaining upon request by the employee representative, even if the policy involves an inherent managerial right.
2. How to comply with both the new ANCRA training requirements and whether compliance with them would also satisfy the School Code's more limited district-provided training requirement discussed in f/n 9 above.

¹¹ *Erin's Law*, 105 ILCS 5/10-23.13, amended by P.A. 102-610. For additional *Erin's Law* requirements and definitions, see policies and the f/ns in 4:165, *Awareness and Prevention of Child Sexual Abuse and Grooming Behaviors*; 5:100, *Staff Development Program*; 5:120, *Employee Ethics*; *Code of Professional Conduct*; and *Conflict of Interest*; and 6:60, *Curriculum Content*.

¹² 105 ILCS 5/10-23.12(b) permits DCFS to cooperate with school officials to distribute informational ANCRA materials in school buildings. The following optional sentence provides that information: “The Superintendent or designee will display DCFS-issued materials that list the DCFS toll-free telephone number and methods for making a report under ANCRA in a clearly visible location in each school building.”

Alleged Incidents of Sexual Abuse: Investigations ¹³

An *alleged incident of sexual abuse* is an incident of sexual abuse of a child, as defined in 720 ILCS 5/11-9.1A, that is alleged to have been perpetrated by school personnel, including a school vendor or volunteer, that occurred: on school grounds during a school activity; or outside of school grounds or not during a school activity. ¹⁴

If a District employee reports an alleged incident of sexual abuse to DCFS¹⁵ and DCFS accepts the report for investigation, DCFS will refer the matter to the local Children's Advocacy Center (CAC).¹⁶ The Superintendent or designee will implement procedures to coordinate with the CAC.

DCFS and/or the appropriate law enforcement agency will inform the District when its investigation is complete or has been suspended, as well as the outcome of its investigation.¹⁷ The existence of a DCFS and/or law enforcement investigation will not preclude the District from conducting its own parallel investigation into the alleged incident of sexual abuse in accordance with policy 7:20, *Harassment of Students Prohibited*.

Special Superintendent Responsibilities

The Superintendent shall execute the requirements in Board policy 5:150, *Personnel Records*, whenever another school district requests a reference concerning an applicant who is or was a District employee and was the subject of a report made by a District employee to DCFS. ¹⁸

The footnotes are not intended to be part of the adopted policy: they should be removed before the policy is adopted.

¹³ Delete this subhead if your school district is not within a county served by an accredited CAC. 105 ILCS 5/22-85, added by P.A. 101-531, governs the investigation of an *alleged incident of sexual abuse* of any child within any Illinois counties served by a CAC. For a map of accredited CACs, and to identify a CAC that may serve your district, see www.childrensadvocacycentersofillinois.org/about/map. The law is silent about investigations in counties without CACs.

¹⁴ Though 105 ILCS 5/22-85(b), added by P.A. 101-531, defines *alleged incident of sexual abuse*, its definition is circular, using the term *sexual abuse* without defining what that means. To provide boards with clarity, the definition of *sexual abuse* used in the Ill. Criminal Code of 2012 is used.

¹⁵ 105 ILCS 5/22-85(c), added by P.A. 101-531, provides that if a mandated reporter within a school has knowledge of an alleged incident of sexual abuse, the reporter must call the DCFS hotline immediately after obtaining the minimal information necessary to make a report, including the names of the affected parties and the allegations. It further requires the Ill. State Board of Education (ISBE) to make available materials detailing the information necessary to enable notification to DCFS of an alleged incident of sexual abuse, and that all mandated reporters annually review ISBE's materials.

¹⁶ 105 ILCS 5/22-85(d), added by P.A. 101-531.

¹⁷ 105 ILCS 5/22-85(j), (k), added by P.A. 101-531.

¹⁸ ANCRA requires a superintendent, upon being requested for a reference concerning an employee or former employee, to disclose to the requesting school district the fact that a district employee has made a report involving the conduct of the applicant or caused a report to be made to DCFS. 325 ILCS 5/4(d). When a report involves an adult student with a disability, DCFS must instruct mandated reporters making these reports to call the DHS' Office of the Inspector General's statewide 24 hour toll-free telephone number: 1-800-368-1463 (325 ILCS 5/4.4a) to make a report under the DHS Act.

The DHS Act (20 ILCS 1305/1-17(1)) then requires a determination of whether a report involving an adult student with a disability should be investigated under it or the Abuse of Adults with Disabilities Intervention Act (20 ILCS 2435), however that Act was repealed by P.A. 99-049 (eff. 7-1-13). The DHS Act does not outline a duty for the superintendent, upon being requested for a reference concerning an employee or former employee, to disclose to the requesting school district the fact that a district employee has made a report involving the conduct of the applicant or caused a report to be made to DHS involving an adult student with a disability.

Given the public policy behind the amendments to 325 ILCS 5/4, a reasonable interpretation of the law is that the superintendent's duty to disclose now involves DHS reports concerning adult students with disabilities. However, with no mechanism requiring DHS to report back to the superintendent a *non-substantiated report* (DHS version of a DCFS *unfounded report*), a superintendent's duty to disclose cannot end. Consult the board attorney about managing the duty to disclose reports that involve adult students with disabilities when DCFS redirects the reporter to DHS. For more information, see policy 5:150, *Personnel Records*.

When the Superintendent has reasonable cause to believe that a license holder committed an intentional act of abuse or neglect with the result of making a child an abused child or a neglected child under ANCRA, and that act resulted in the license holder's dismissal or resignation from the District, he or she shall notify the State Superintendent and the Regional Superintendent in writing, providing the Ill. Educator Identification Number as well as a brief description of the misconduct alleged.¹⁹ The Superintendent must make the report within 30 days of the dismissal or resignation and mail a copy of the notification to the license holder. ²⁰

Special School Board Member Responsibilities

Each individual Board member must, if an allegation is raised to the member during an open or closed Board meeting that a student is an abused child as defined in ANCRA, direct or cause the Board to direct the Superintendent or other equivalent school administrator to comply with ANCRA's requirements concerning the reporting of child abuse. ²¹

If the Board determines that any District employee, other than an employee licensed under 105 ILCS 5/21B, has willfully or negligently failed to report an instance of suspected child abuse or neglect as required by ANCRA, the Board may dismiss that employee immediately. ²²

When the Board learns that a licensed teacher was convicted of any felony, it must promptly report it to the State agencies listed in policy 2:20, *Powers and Duties of the School Board; Indemnification*.²³

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

See also f/n 4 of policy 5:150, *Personnel Records*, discussing the Elementary and Secondary Education Act's (ESEA) (20 U.S.C. §7926) requirement that school policies must explicitly prohibit school districts from providing a recommendation of employment for an employee, contractor, or agent that a district knows, or has probable cause to believe, has engaged in sexual misconduct with a student or minor in violation of the law.

¹⁹ Alternative for districts in suburban Cook County: replace "Regional Superintendent" with "appropriate Intermediate Educational Service Center."

²⁰ 105 ILCS 5/10-21.9(e-5), amended by P.A.s 101-531 and 102-552, requires these notifications and provides superintendents immunity from any liability, whether civil or criminal or that otherwise might result by complying with the statute.

²¹ 325 ILCS 5/4(d). This statute makes board members mandatory child abuse reporters "to the extent required in accordance with other provisions of this section expressly concerning the duty of school board members to report suspected child abuse." Thus, a board member's duty is "to direct the superintendent or other equivalent school administrator to comply with the Act's requirements concerning the reporting of child abuse" whenever an "allegation is raised to a school board member during the course of an open or closed school board meeting that a child who is enrolled in the school district of which he or she is a board member is an abused child." Of course, any board member with reason to doubt that a report was or will be made should directly contact DCFS.

²² 105 ILCS 5/10-23.12(c), added by P.A. 101-531. See f/n 6, above, and f/n 3 in policy 2:20, *Powers and Duties of the School Board; Indemnification*.

²³ 105 ILCS 5/21B-85(a) and (b), amended by P.A. 102-552. Because felony charges often arise out of abuse and neglect investigation, this board duty is listed here for convenience. See the discussion in the f/ns tied to these duties in policy 2:20, *Powers and Duties of the School Board; Indemnification*.
